HISTORY

The firm of Monteith & Sutherland Limited established in 1960, assumed the legal survey practice of J.C. Monteith, which was initiated in 1928. In 1978 Monteith & Sutherland Limited became a founding partner in Photomap Air Surveys Ltd. of Toronto. Both companies are actively engaged in providing engineering, surveying and mapping services to government, industry and private clients.

MISSION

Our mission is to be a leader in surveying, engineering and land related services in the Province of Ontario. We provide quality innovative solutions to our clients land related requirements in a timely cost effective manner. Each new and continued business relationship deserves guaranteed satisfaction.
